STAFF RECOMENDATION

Miriah recommends The Calamity Club by Kathryn Stockett.

"This novel is a true delight. Please don't let the size of this book dissuade you from picking it up—it is absolutely worth the read! Set in Oxford, Mississippi, during the Great Depression, the novel introduces us to Meg LeFleur, an 11-year-old orphan; Birdie Calhoun, a self-proclaimed spinster; and Charlie, a woman with a mission of her own. Follow their journeys as you discover how their stories are connected and, of course, learn why you should never count a woman out. This novel has so much heart and is filled with strong female characters you will find yourself cheering for throughout the story. It is a story of resilience, friendship, and finding strength in unexpected places."
